

Title: Understanding the effect of programming expertise on code review task outcomes

Hi,

If you are 18 years of age or more, here is a chance to win a 50 NZD gift card! We are conducting an online experiment to understand the effect of programming expertise on code review task outcomes. You DO NOT need to be a programmer to participate. If you ARE a programmer, you are welcome to participate as well. If you would like to know more details, please contact Ms. Sanuri Gunawardena sgun571@aucklanduni.ac.nz with the answer to the following question:

“Do you have computer programming knowledge or experience?”

Best regards,

Ms. Sanuri Gunawardena <sgun571@aucklanduni.ac.nz>

Assoc. Prof. Ewan Tempero <e.tempero@auckland.ac.nz>

Dr. Kelly Blincoe <k.blincoe@auckland.ac.nz>
